Welcome to Valley Eye Professionals!

Dear Patient,

Welcome to Valley Eye. We are happy you chose us for your eye care. Our goal is to provide the highest quality eye care we can for you. Everything we do here is geared towards that goal.

We are in the process of upgrading our computer system, which will require our **new and established** patients to fill out paperwork to make sure we have the most up to date information. This may add on additional time to your visit. You should plan to be here for 1 ½ to 2 ½ hours, depending on the complexity of your eyes and to account for filling out paperwork, your exam, possible dilation, tests, and/or procedures.

Please bring with you for every appointment:

- Your Driver's license or photo ID
- Your current insurance cards
- Co-payments
- List of current meds
- Your glasses
- A Mask

Our Doctors at Valley Eye are trained in the diagnosis and treatment of all eye diseases. Our doctors specialize in diseases of the cornea, uveitis, glaucoma, cataract, dry eye, and oculoplastics. We also have optometrists on staff who perform routine eye exams as well as contact lens fittings. We also offer Lasik and PRK procedures to qualified patients. Our Ophthalmologists are on staff at local facilities and are also affiliated with Wills Eye Hospital.

Optical Shop: Our optical shop will be able to help you get whatever you need after you get your prescription for eyeglasses or contact lenses. We have a large variety of eyewear for all ages. Our opticians are experts and are always happy to help select the best eyewear for you.

Vision of Beauty at Valley Eye: Offers the latest in rejuvenating skin care products and cosmetic procedures including Botox and fillers. Please let our Doctors know if you have any interest in learning more about this.

Please fill out all attached forms. Please bring with you to your appointment if your visit is in less than 2 weeks. If it is later than 2 weeks, please mail to the address listed below.

We strive to make your visit to our office as comfortable as possible. Please let us know if there is anything we can do to make your visit more pleasant.
